54st INTERNATIONAL CHILDREN'S GAMES

Dear Friends of ICG:

Your support as a sponsor for the 2024 International Children's Games is needed and greatly appreciated by those local athletes who will represent our city at this year's summer games in

Coventry, England . Your support to this event will no doubt provide us with the resources necessary to cover those costs related to travel, uniforms, accommodations, meals, transportation and related expenses. Your support will make a big difference in the lives of local athletes who will compete and proudly represent our city, their sport and being part of the larger contingent of Canadian athletes.
